

UPDATES

FIRST QUARTER

Dear Faithful Partners,

1Co 16:9 For a great door and effectual is opened unto me, and there are many adversaries. This is one of the verses that God used when He called me to Thailand. Truly, Thailand is a land of many opportunities to serve God. The country is open for the Gospel.

The first adversary that we faced when we came was the language, but because we are in the

victorious side God opened a door for us to study. Our language skill is getting better every day. The door of

witnessing to the Thais in their language is open to us.

One of the fruit of this is a 65 year old man, Pa Khun. Because of his salvation another door was opened, a bible

study is now conducted in their house every Thursday handled by Pastor Santisuk, the Thai

national pastor of the church I am attending here in Korat. About 15 adults are now attending, most of them made their profession of faith already.

Starting a ministry is opened. Last Saturday, March 17, we started 2 bible studies in the province of Chaiyaphum, about 125 kilometers away from our place.

Sending Church:

La Loma Baptist Church

133 Isarog Street, La Loma, 1114 Q.C. Tel No. 4116840

This will be the place where we will minister. There is an existing church but the pastor died 7 years ago. All the members were scattered just two left who once in a while attend the church. A preacher goes there to preach every Sunday.

Partnership with fellow missionaries. This coming **July**, our fellow Filipino missionaries here in Thailand under ABClearinghouse and the Soulwinning team of the Church I am attending right now will join forces to help me saturate some strategic Tambun (Barangay) in the main City of Chaiyaphum. For this reason I covet a special prayer request for the following needs for this special 3 days event:

1. For ten thousand pieces of John and Romans, gospel tracts and gospel literature.
2. For financial provisions for this 3 days event
3. For the power of the Holy Spirit
4. For souls to be save.
5. For God's wisdom and protection.

By the grace of God, your faithful prayers, and financial support we are able to face adversaries and overcome it.

Thank you for your faithful partnership for Thailand Missions.

Because of His Grace,

- Aguinaldo Angeles

"Believe on the Lord Jesus Christ..." is the answer to man's most important question. (Acts 16:30-31)

To help others believe on Him is the greatest work of those who believed in Him. (John 4:6-7)
