April 2010

Dear Pastor,

Glory be to God! Our youth camp was very successful , we have 102 delegates, they were all students from secondary school whom I'm ministering on the theme "It's time to seek the Lord".The last day of our camp was a very challenging one, the students surrendered their lives to be used by God.

I really thank you for all your prayers and support .May our Almighty God richly bless you!
