Pastor and Church,

October feast

The 7th Bangkok Baptist Church anniversary that many of you prayed about had yielded a total of 184 in attendance with 4 professions of faith. God be praised for what He has done. We thank Him for enabling members to bring their friends at the meeting. And for His supplied provision of food everyone enjoyed in celebration! Rev. Dennis Potts came to grace the meeting from God's Word.

November mourn

In 20 days Bangkok will be dry! This is a promise from the Thai authorities after excessive rain water flooded homes and business establishments causing an unprecedented damage in most parts of Thailand! Up to this writing flood water has yet to inundate. Some has gone back to clean their flood soaked homes yet a lot others in low lying areas relocated. We thank Him for sparing almost all the members from the flooding yet we pray for those whose families in grief for their loss.

Sunday church attendance was above average including Wednesday services. Calamities devastates yet spiritually beneficial after all. Two persons got save with 3 following the Lord in waters of baptism. As members are temporarily out of job, they come seek help in prayer.

December chance

The reality of Christ being born a Savior remains a western story among many Thais. It is still our prayer that Christ becomes real to many of the them.

May I thank you all for your continued prayer and support for the Lord's work. We look forward for more souls being saved having churches like you do helping us!
