The Christmas celebration of BBC was held at the Alliance Guest Home at Pradipat Road last December 20. The choir rendered a cantata entitled "Gift of Heaven" graced with the participation of the Baptist Bible Learning Center students. Pastor Angeles gave a short exhortation about the essence of Christmas which was followed by a banquet and exchange of gifts at the church building at Samsen.

MISSION TRIP TO MAE SOT

Two vehicles, full of enthusiastic members, went to Mae Sot, Tak province for a good news, dental and medical mission spearheaded by Doc Leo and Doc Josie last December 9-10. They ministered to Thai and Burmese orphans who are under the care of Pastor Sinoy. After the preaching of the Word, the workers led the singing and introduced some games that the children enjoyed. The kids were given school supplies aside from the prizes they won in the games.

MONTH OF JANUARY 2010

God blessed us with guests in our Sunday services who received the Lord as their personal Savior. What more could a preacher long for but guests to received the Lord in a preaching service. Cris, a British school teacher working in a Thai school here got saved as he was lead to the Lord by one of the church worker upon his willingness to accept Christ. Max from Liberia came back to attend church after being led to the Lord on his first church visit. Along with professions of faith, two got baptized. Sis. Ann, a Christian who frequently attends church and Bro. Angel who just got saved followed the Lord in waters of baptism.

We are thankful for the visits made by bro. Rene Tang of Pasay Bible Baptist Church. The Bible studies he conducted yielded two professions of faith. The church people are challenged with God's Word for his two Sunday preaching services. .

Thank you so much for your continuous partnership in the Lord's work.
