Dear Pastor, brothers and sisters in Christ,

Greetings in the name of our blessed Lord and Saviour Jesus Christ!

Once again, I praise and thank the Lord for seeing us through another trying quarter. Three of my family folks went through operations due to health problems and I am thankful that the Lord answered prayers in healing my brother (Harry), sister (Chooi Peng), and niece (Lai Kueen).

Windows of opportunities were opened for us to share the gospel again to my folks, not only to the abovementioned 3 persons but also to those who came to visit them.

Please pray that our people will have a desire to serve in these teaching ministries. I thank and praise the Lord to see our 10-year-old neighbour, Yu Ling, growing spiritually. Yu Ling made a profession of faith in March this year and has been faithfully attending church. She is of a Buddhist background and knows very little of the Bible. It has been a joy teaching her in Chapel and to see her growing spiritually.

Personal Bible study with my sister, Chooi Chee, has been consistent. I am thankful to the Lord in watching over Chooi Chee who goes for dialysis 3 times a week. Often, she is weak especially after dialysis. Please pray for the Lord's strength and grace to be upon Chooi Chee.

This rainy quarter has given rise to the arthritis pain in my knees. I have never had it so painful before but thanks to the Lord for His strength and grace to bear the pain (*besides applying heat pads and ointment*).

Thank you so much for your continuing support in prayers and gifts for which I deeply appreciate.

The Lord blesses you all.
