January 2012

We thanked the Lord for your faithfulness in partnering with us for the year 2011. Your prayers and financial support have enabled us to achieve our goals by the grace of God. It has been our prayer and desire that God will use us to the fullest. Indeed, God has answered our prayers.

HIGHLIGHTS:

1. Santhor and Sokha have started reaching their loved ones in Takeo province through Bible studies which is currently ongoing. More than twenty adults are regularly attending the Bible study and more than 30 children are attending the Good News class. It is very encouraging that five children from our orphanage are highly involved in reaching other children for Christ.
2. Daniel, who graduated in the Bible School, is leading our soul winning: Operation Go and children's ministry in the city.
3. Makara was burdened to reach his classmates for the Lord and that was why he then started our youth ministry.
4. Santhorl finally decided to surrender in full time service. For seven years, he's been a blessing to our ministry. Please pray for him as he is now studying at Bethany Baptist College, Makati City, Philippines.
5. After Santhol went to the Philippines, Pisat recently graduated with Bachelors in Mathematics from the University has decided to work in

the church to take over the work of Santhol and also helped us in monitoring the schooling of our orphaned children.

6. By the grace of God, our orphaned children at Haley's House are actively involved in soul winning even if they were scolded and driven away by their prospects.

7. Our Bible Institute has started with 10 students. Thank God for Missionary Bob Colon, Dr. Augustus and Pastor Sitha for partnering with us in this ministry.

3rd quarter, 2011

Glory to God in the Highest!

We thank the Lord for the victory in all of our activities for this quarter, the 2nd Mission's Conference, our 9th Church Anniversary, the 12th National Baptist Youth Camp, the monthly Young People's Fellowship and the children's ministry. Our preachers/leaders were so grateful to the Lord for all the experiences they had learned. What a blessing to see the involvement of the church members.

To all our partners, thank you for your prayers and support. For eleven years in the field, by the grace of God, our collaborative efforts are not in vain.
