

# Malaysia – Sis. Mary Goh

February 2011

Dear Pastor Wee and Shalom's brothers and sisters, Greetings!

**New Ministry in Jasin:** Firstly, I would like to thank God for settling me down in a 3-room house in the town of Jasin (near Tangkak). Besides a nice house, God has also sent a friendly and helpful neighbor who keeps inviting nearby children to sign up in our Children English Tuition which is run by Sister Dancy and me.

This new tuition was started on 21st January 2011 (Friday). For the time being, we have a total of 9 children from the nearby Primary and Secondary schools. The best part of it is that all the students' parents have no objection on their children attending the Children Camp, which will be during the June and December holidays. This will allow us to have an opportunity to share the Good News to all these souls that God has sent us.

**Ministry in Tangkak:** Secondly, praise God for Sharon Mission's house owner who has gathered few ladies wants to start a Elderly English Conversation Class on weekdays night in February.

Thirdly, praise God for the 8-year-long Tangkak's Children English Tuition ministry which is still going on smoothly, and with new children joining in. With God's mercy and grace, through this tuition, we also have a chance to invite all children to Sharon's Children Camp. On top of that, a few mothers have heard the Good News too.

Finally, I would like to take this opportunity to say a big "Thank You" to all your precious financial and prayer supports. And also to those who kindly help my mother in transportation.

***"I can do all things through Christ which strengtheneth me." (Philippians 4:13)*** Amen.

**Always in His Love,  
Sister Mary Goh, Tangkak**

September 2010

Dear Pastor Wee, Shalom Brothers and Sisters,

Greeting from Tangkak, Malaysia.

I would like to thank God for sending 10 secondary school students (unbelievers) to our tuition centre in Tangkak. We got to know them through having beef noodle at one of the student's parents' shop. These students are from a Chinese School located in Sungai Mati, Muar. They have been faithful in coming for the English lessons which that Sister Dancy and I have started to help them. We have been trying to be befriend them and are praying that we will have the opportunity to share the good news with them.

Besides that we also had a good time with our 5 year old little angels (from the Tuition Centre) during a picnic outing recently. God has been good despite the ups and downs in attendance at the Tuition Centre.

Please continue to pray for us to have wisdom and strength to serve our Savior in this manner.

Always in His Love,  
Sister Mary Goh,
