**July-September 2011 Newsletter**

Dear Pastors, Supporting Partners and Friends,

Greetings in HIS Precious NAME!!!

“HIS SOVEREIGN LEADING IN 2011”—this is the church’s theme for this year and it’s really amazing to witness where His sovereign leading has brought us. There were countless blessings received for the past quarter and to HIM we give all the glory.

The children’s ministry in B T district which was started off last April is accelerating in attendance. From 30 to 50 and now 70 plus children are regularly attending the Saturday morning meetings. Some parents are also present and observing what the children are learning. Slowly the “seed” is being planted. We pray that the LORD will open more doors in this area in reaching families for His name.

Phuong, a young lady, Tuong Vi and Vien (young couple) are our regular English students. This past quarter they were able to attend church. Kim An, 18, is a recent English student and made a profession of faith during the mission conference. Please pray for the names earlier mentioned that they will realize their need of salvation and the latter to grow in her Christian life. We thank God for using English clubs (teaching eng for free) in reaching souls to HIM.

A member in GBIMC by the name of MS. ROZENIE “chinky” JAVA, was diagnosed with cervical cancer last JULY. It was so heartbreaking to hear the news as we have seen how she had grown spiritually and had influence new Christians to grow in the LORD for the 5 months that she was with us. We were so sad to see her leave for the Philippines for her treatment early August but we believe that all things are with a purpose. We covet your prayers for her healing, Lord willing.

The most exciting event that happen this quarter was the mission conference and the organization of the international church—the GBIMCVN. These events took place during the last two Sundays of September. It was a blessing to us to hear challenging sermons from the Word of God. Pastor Howard Wynn and some folks from GBC Tacloban, Leyte Phil. supported us in these two events and we are thankful for their all out support and prayers. This event will not take place had it not been for HIS sovereign leading. To HIM we give all the glory and honor.

More ministries are set to open in the last quarter of this year and it’s really amazing how new contacts are made, how the LORD adds people to the church both in SBBC and GBIMC, how the LORD protects HIS people, how HE provides the financial needs and how the people are learning to get involve in the different ministries. With these, we are very thankful to God that you are a part of this spiritual endeavor. From the bottom of our hearts, we’d like to say, “c o n” (thank you very much) for the faithful partnership.

By His grace alone,

Rhea Ruth Abellera
